Paddle boarding

Christmas Fair

Bike Hub

Hove Train Station

Events in the

community

This term we have welcomed new learners to Life Skills.

We have been working hard within the community collecting

rubbish from the beach and Peace Garden, we ran our

Christmas fair where all pupils were involved creating

items to sell. We enjoyed seeing parents, carers and the

community attend and enjoy the fair with us. Have a

great Christmas and we look forward to seeing you in

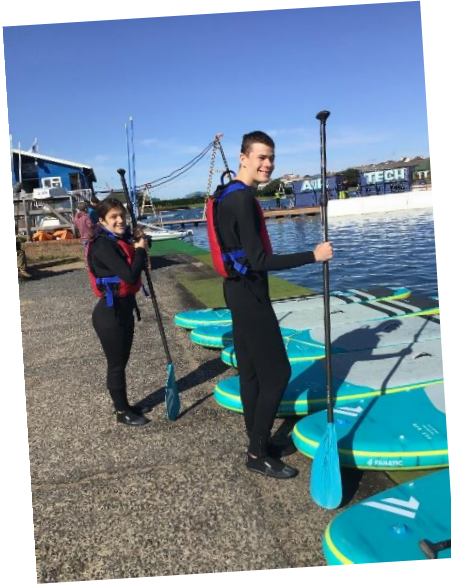

the New Year.

 Paddle boarding

     
 We went paddle boarding in september.

      
 We needed to wear wet suits and wet

       
 shoes. It was sunny and warm and we

     
 enjoyed the day a lot. We also

      
 saw friends from the Link College. After

      
 lunch we cleaned the beach and we

  
 found cuttle fish.

Beach

Christmas Fair

Some of the parents came to the fair and

look at our works. There was a **tombolla**

as well. Students and parents can play

with it. The fair finish at 11.30 we

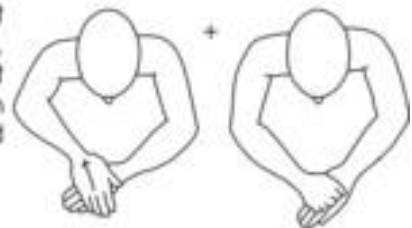

tidy up the hall and brought the things

back to college Written by Teejay

Slide right hand over back of left hand towards body, then close right hand and place on back of left hand

Christmas

Bike Hub

On the 16th November, we had an exciting

Bike

workshop where we were shown how to repair

bicycles. We used Elena's bike as it was in need of

repair. We learnt how to pump up tyres and

was shown how to repair the brake lead and use

oil to stop our bikes getting squeaky.

The session was very long but also interesting. We

would like this workshop to happen again.

Hove Train Station

Another successful art exhibition at Hove station!

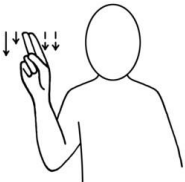

This time we decided with the amazing art

coordinator Gemma Newby to show a different kind of

art: Our project with Carousel and we selected 1

poem per classroom and a mix of the pictures of the

learners participating in the podcast.
