Work Experience

 Jack  and  his peers  are  also  in charge  of a special

 cafe  at  college.

 They  call  it the 'travelling  cafe' as  they  take  it to

 room  3  every other  Friday.

 They  interact  with  each other  and  use  switches  to

 greet  each other.  They  take  orders  using  different

 communication  systems.

 At  the end  they  listen to music  or  a story.
